Firefighter Alan Cebula had his 2007 Suzuki GSXR 1000 motorcycle painted to memorialize the 10th anniversary of the September 11th attacks. Mr. Cebula is a volunteer firefighter with the Village Port Dickinson Fire Department in Broome County, NY. Just a few months ago he had his motorcycle painted with American flag and firefighting themes along with scenes from the world trade center in remembrance of the 343 firefighters that lost their lives. Mr. Cebula also has LED lighting under and around the bike for night time effect. He also had his helmet painted to match the bike. He has taken the bike around to local shows where it has been well received. He plans to participate in and have the bike on display at local memorial services. Mr. Cebula hopes that this piece of artwork can help everyone "Never Forget".
