Vestal Ambulance responded two ambulances to asses and deal with several injured patients. Vestal Fire responded Engine 32-4 to deal with the vehicle fire and Utility 32-4 to assist police with traffic. Before Engine 4 arrived one of the vehicles had become fully involved. Chief 32B also responded to the scene.

The crew from Engine 32-4 stretched a single hand line and quickly extinguished the vehicle fire. extensive overhaul of the vehicle was also required. Traffic was briefly snarled on the Vestal Parkway as eastbound lanes were closed due to the MVA and fire.
