ADVERTISE IN THE 2017-2018 DIRECTORY OF BROOME COUNTY FIRE DEPARTMENTS

The Broome County Firefighters' Association is putting together their 2017-2018 Directory of Broome County Fire Departments and would like to invite you to advertise in the directory.

The directories will be distributed to all area fire companies and fire chiefs. These books are not throw away items, but are kept as valuable reference.

By advertising in our book, your company's ad will be in the hands of all area fire companies and chiefs. It will also show that you support our area's fire companies, firefighters, and the Broome County Firefighters Association.

Proceeds from the book benefit the many programs of our Association:

- The Fire Safety Trailer which is used by area fire departments to teach children about fire safety and how to get out in case of a fire;
- The "Firefighter of the Year" Award;
- Our newsletter which helps to keep area firefighters informed about training, health and safety issues, and many other topics;
- Our memorial service which honors fire company members who have passed away in the last year.
- Replacement of the 24-year old tow vehicle which gets the fire safety to events. It is critical that we replace this 1993 Suburban so we can continue to deliver the fire safety trailer to community events.

All advertisers will receive a copy of the 2017-2018 directory.
