

COUNTYWIDE VOLUNTEER FIREFIGHTER RECRUITMENT DAY
SAT., JAN. 19, 2008

Participation by all fire companies is requested!

The joint committee of the Broome County Fire Chiefs' and Firefighters' Association is sponsoring a countywide recruitment day on Saturday, January 19, 2008, from noon to 3 pm. The committee is asking all fire companies to have an open house at their station to welcome anyone who might be interested in joining.

We would encourage fire companies to have displays of equipment and trucks. If you have photos, videos or a fire company scrap book with information on fire calls and events your fire company has been involved in this would make an excellent display. We would suggest that you have some light refreshments and have members present in a variety of age ranges and involvements who can answer any questions that prospective members might have.

We are asking for 100% participation by all county fire departments so put together a committee now and start to work on your open house.

If you have questions, please contact us at broomecofire@stny.rr.com or contact one of the committee members- Tom Giblin, Bob Shaller, Tom Sheridan, Dave Reese or Alice Fiacco
