

Endicott Fire gets new EMS Vehicle

2007

The Endicott Fire Department recently replaced EMS-25 with this 2007 Dodge pickup truck. The quad cab truck has four-wheel drive and was obtained through NYS State Bid from Albany Dodge. The warning lights and lettering were done by Lights & Sirens Company of Chenango Bridge, NY. EMS-25 provides EMS first responder and AED services to the residents of Endicott. EMS-25 makes approximately 1500 runs a year.
