You and members of your Fire or EMS Department are invited to dinner and an informational meeting regarding Fire and EMS Posts. [Explorer Posts are youth programs for teenagers 14-20 designed with a particular career or interest focus.] Many communities across the state have had considerable success in developing youth Fire & EMS exploring programs that ultimately increase long term membership in their departments. Our program on the June 19th will include speakers who have had success in recruiting youth, developing program guides, and volunteer trainers. You will leave this meeting with numerous resource materials.

Our Program Speakers will include: Dave Alamo – Baden-Powell Council
Scott Brady – Otschodela Scout Council (Oneonta) 23 Fire Post
Bob Crowley – AA Post 2500 –Sidney Center
Brett Chellis – Broome County Emergencies Services Director
Ray Serowik – Broome County EMS Coordinator

You will be our guest for dinner! Broadway Diner will be our caterer. Entrées will include Penne ala Vodka, Veal Marsala, salad, vegetable and desert.

We hope you will make plans to attend with at least one additional member of your department (e.g. training director). This will be a very informative program that will assist you in developing your young adult membership. Please RSVP on the attached form.

Sincerely,

Dave Alamo - Baden Powell Council
