

09/22/08

The Broome County Firefighters Association will hold their annual Memorial Service on Friday, October 10, 7:30 pm, at the Ouaquaga United Methodist Church, Route 79, Ouaquaga (across the street from the Ouaquaga Fire Station). As of this date we have only received names from City of Binghamton, Endwell, Harpursville and Chenango Fire Departments. Please forward the names of any deceased members of your fire department who have passed away since October 2007, to be included in the service.

Members of your fire department and family members of the deceased are invited to attend the service to honor these members. Refreshments will be served at the Ouaquaga fire station at 7 pm, prior to the service. If you can provide the name and address of a family member of the deceased we will invite them to the service.

Please get these names to us by October 3, so that we may include them in the service.
