

BROOME COUNTY FIREFIGHTERS' ASSOCIATION
BROOME COUNTY, NEW YORK

RECRUITMENT OPEN HOUSE - 2009

The Joint Committee on Recruitment for the Broome County Fire Chief's Association and Broome County Firefighters' Association is again sponsoring a recruitment open house on Saturday, January 17, 2009, noon to 3 pm.

We are asking all fire companies in Broome County to be open during these hours and have personnel on hand to answer questions about volunteering in your fire department.

Last year's recruitment open house took in over 60 new members countywide and we are hoping to do as well this year. Fire departments are encouraged to get the word out in their areas.

Last year many fire companies went door-to-door with fliers on the open house. One fire company did a mass mailing to all of the residents in their area. All of these fire companies were very successful in getting new members from the open house.

We would encourage you to get out into your community and promote this event.
