BROOME COUNTY, NEW YORK

FIRE COMMISSIONER TRAINING OFFERED
MARCH 21st AT ENDWELL

Legislation passed in 2006, requires all fire district commissioners to take a training class within 270 days of taking office. This training must cover legal, fiduciary, financial, procurement and ethical responsibilities. Fire commissioners who were elected, re-elected, appointed or re-appointed to positions as fire commissioners and took office in the past year, are all required to take a fire commissioner training course. The training certificate is valid for your term of office, not to exceed five (5) years.

The fire commissioner class will be offered by the Association of Fire Districts of the State of New York (AFDSNY) at the Endwell Fire Station, 3508 Country Club Road, Endwell, on Saturday, March 21, from 8 am to approximately 2:30 pm.

The cost of the course is \$125 for commissioners from fire districts that are members of the AFDSNY; \$175 for fire commissioners from non-member fire districts.
