

4/4/09

The Broome County Fire Police Association is putting together a list of people who need or would like to take the Fire Police Class. If you or someone in your fire company would like to take this class, please send us their names.

You can send names to this e-mail or directly to Dave Reese of the Broome Co. Fire Police Association at dreese@stny.rr.com.

Once they have enough names they will try to get a class scheduled.
