The New York State Department of State Office of Fire Prevention and Control and the Fire Service Women of New York State are proud to announce the 8th Annual Fire Service Women of New York State Training Conference. Fire Service Women from around New York State and other locations in North America have the opportunity to come to the New York State Academy of Fire Science where they may participate in hands on and classroom training. These women will find themselves in a positive atmosphere that encourages them to test their boundaries and enrich their minds. A wide variety of courses are being offered to meet the needs of career or volunteer emergency workers, interior or exterior firefighters, and EMS personnel. Students who successfully complete these courses, including course examinations, if applicable, will receive New York State certificates of course completion. The application packet can be viewed and printed at <http://www.dos.state.ny.us/fire/pdfs/events/2009fswnys.pdf>. Feel free to contact the Office of Fire Prevention and Control at 518-474-6746 or via e-mail to [FireServices@dos.state.ny.us](mailto:FireServices@dos.state.ny.us) with any questions you might have.
