

BROOME COUNTY FIREFIGHTERS' ASSOCIATION

BROOME COUNTY, NEW YORK

“HAZARD HOUSE” DEMO AT DECEMBER MEETING

The Broome County Firefighters' Association will hold their December meeting on Friday, December 4, 7:30 pm, at Chenango Fire station #1, 86 Castle Creek Road. Refreshments will be served at 7 pm.

There will be a demonstration of the Modeltech “Hazard House” which the Association is looking at purchasing. This house is ideal for fire safety presentations to groups and can be done by just one person. The house includes props and cue cards to assist in teaching a variety of fire safety topics.

This project will require some fundraising for its purchase and the Association is hoping that local fire companies and businesses will donate towards its purchase.

Anyone interested is invited to attend the meeting and presentation.
