

Managing The Mayday

Presented by

TASK1FORCE

hosted by the

Choconut Center Volunteer Fire Company

1101 Middle Stella Ireland Road Binghamton NY 13905

March 27 and 28, 2010 @ 08:00 hours

The program

“Managing the Mayday” is an intense training program designed to prepare the participants to deal with a fire officer's worst nightmare, a MAYDAY. Even when a mayday is called, the event that the fire department initially responded to still has to be managed as well as the MAYDAY event. Through a blend of lecture, discussion and intense mentally challenging hands-on exercises, participants will learn the skills needed deal with this most stressful event.

The lead instructor : Daniel “Boone” Gardiner

Daniel B.C. Gardiner is the retired Fire Chief of the Department of Fire-Rescue Services, in Fairfield, CT, serving there for 31 years. He is a member of the Certified Fire Protection Specialist Board of Directors, and is a past president of the International Society of Fire Service Instructors. Boone has a Bachelor's Degree in Fire Science and a Masters Degree in Public Administration and one in Fire Science Technology. He is a member of the National Fire Protection Association (NFPA) technical committees on Fire Officer Professional Qualifications (NFPA Standard 1021), Recommended Practice in Emergency Service Organization Risk Management (NFPA 1250), and Standard for Developing Fire Protection Services for the Public (NFPA 1201).
