

February 17, 2010

Endwell Fire Department is hosting a training session with NYS Department of Transportation Acting resident Engineer Jim Massar and Highway Maintenance Supervisor Walter Smith on Monday, April 5, 7 PM, at Endwell Station 1, 3508 Country Club Road, Endwell. They will be discussing the Department of Transportation's role in emergency incidents, and the interaction with Fire Police operations.

Any interested fire police squads are invited to attend, as well as any interested Firefighters and Officers from other fire departments.

Please RSVP to [endwellfire@endwellfire.com](mailto:endwellfire@endwellfire.com) or call Alice at 785-0985 if you would like to attend.
