

# Fire Commissioners Training Program

## **What are the new training requirements for Fire District Commissioners?**

All Fire District Commissioners are required to complete this training within 270 days of taking office. The training must cover legal, fiduciary, financial, procurement and ethical responsibilities. For those Commissioners elected in December, 2009 you will have 270 from that date to complete the course.

## **How often do Fire District Commissioners need to attend training?**

Fire District Commissioners must complete the required training each time they are elected, re-elected, appointed or reappointed to office. The training certificate issued is valid for your term of office not to exceed 5 years.

## **How often will training sessions be offered for new commissioners?**

Training courses will be offered by the Association in various locations throughout the State. The course will take approximately four hours and you must attend the entire Program to obtain a certificate.

## **How much does the course cost?**

Cost of the course will be \$125.00.

**Questions** concerning this Program should be directed to Kenneth Hoffarth, Education Coordinator AFDSNY at **914-943-0724** or **Ken.Hoffarth@archny.org**
