## **LONG ISLAND FIREFIGHTER SHOT AT MVA**

Tuesday, March 1, - A Bellmore NY volunteer Firefighter/EMT was shot while responding to a report of an MVA on Tuesday night about 10 pm. Following surgery he is recovering in the ICU. His wounds are reported to be serious but not life-threatening.

A car struck a pole and the continued on about 30 feet, stopping in the middle of the road. As the firefighter/EMT went to check on injuries, he was greeted with gunfire from the vehicle. The FF/EMT was shot in his side. The occupant of the car continued to fire and was eventually killed by police. It was reported that he had at least a "couple of long barrels and at least one handgun."
