

BROOME COUNTY FIREFIGHTERS' ASSOCIATION
BROOME COUNTY, NEW YORK

**2011- 2012 DIRECTORY OF BROOME COUNTY FIRE DEPARTMENTS
NOW AVAILABLE**

The Broome County Firefighters Association recently completed printing of the 2011-2012 Directory of Broome County Fire Departments. The book has information on all Broome County Fire Departments and other fire departments who are members of the Association, such as Apalachin Fire and Silver Lake (PA) Fire Company. The directory includes address of fire stations, area population, dispatch frequencies, year of department founding, apparatus and equipment information.

There are a limited number of directories still available. If you are a member and would like a directory, please contact us at broomecofire@stny.rr.com to find out where to pick one up.

We will mail them out, upon request, but there is a charge to cover the cost of postage. For members of the Broome County Firefighters Association, the charge is \$2. If you are not an association member and would like a directory, the cost is \$5. Make checks payable to "Broome County Firefighters Association". Send the fee, along with your name & mailing address to:

Broome County Firefighters Association
P O Box 3008
Binghamton, NY 13902

There is a limit of one directory per address. Because of the limited number of directories available, association members will be given preference in receiving the directories.
