

Train the Recruiter Class Sign-up

Five Assistant Volunteer Program Coordinators will conduct over 100 training sessions for local departments across the state. These "Train the Recruiter" sessions are designed to give you, department Recruitment Coordinators, the skills and resources necessary to effectively reach out into your community and your own ranks.

Recruitment and retention of volunteers may be a statewide problem but it will take a local effort to achieve a long-lasting solution. Register for the course in your area and insure that your department is part of the statewide effort.

You can also contact the Assistant Volunteer Programs Coordinator for your area to get additional information.
