

Broome County Fire Chief's Association  
Broome County Firefighters' Association  
Broome County Office of Emergency Services  
PRESENT

Lecture: Friday, October 4, East Maine fire station, 1900-2200 hours  
Live Burn Foam Training: Sat., Oct 5, OR Sun., Oct 6, 0900-1600  
at Binghamton Regional Airport

You must attend the lecture & one of the live-burn training sessions

The course will be taught by Chief David Campbell, of the Lawrence-Cedarhurst Fire Department in Nassau County. Chief Campbell has done foam training at the NYS AFC conference and other locations around the state. He will be assisted by other instructors from Nassau County. They are doing this at cost, covering their travel expenses only, as a way to thank the firefighters from Broome County who helped out after Superstorm Sandy.

This is the first large scale foam training held in Broome County in many years.  
Firefighters are urged to pre-register early as the class will fill up quickly.

The cost is \$25 per student which includes lunch.

Pre-registration can be done online at
