Brothers and Sisters:

On Sunday, September 7th, the Binghamton Firefighter's Benevolent Association will be hosting our Annual 9-11 Memorial Stair Climb, at the State Office Building in Downtown Binghamton, NY. Registration starts at 9am and the climb will start at 10am. This will be our 4th Annual 9-11 Memorial Stair Climb, remembering not only the 343 fallen firefighters, but all who lost their lives due to the tragic events of September 11, 2001.

You can register online at www.9-11stairclimb.com. Click on **Find a climb near you**. Next find **New York: Binghamton Fire 9-11 Memorial Stair Climb**, and click on **Register Now**. There is a registration fee of \$25. Each participant will get a shirt, lanyard, food and drinks. All proceeds will go to the National Fallen Firefighters Foundation.

We climb 110 stories, the number of stories that were in the trade center buildings, and finish the climb that our FDNY brothers didn't get to finish. Climbers can climb in teams or individually. **Deadline to sign up is Wednesday, August 20th**. If you have any questions, please feel free to email text or call me. Thank you.

Sincerely,
