

Some departments using Image Trend software to submit fire reports have advised their fire reports have been rejected by NYS Office of Fire Prevention and Control. They have advised that you should NOT check the box below. If you do, your reports won't be accepted by OFPC.

The screenshot shows the NFIRS Search interface. On the left, there is a list of fire departments under the heading "\*\* Service:". The list includes: Afton Emergency Squad (0811), Apalachin Fire Department, Inc. (5311), Bainbridge Fire District (6235), Binghamton Bureau of Fire, City of (0314), Borden Hose Company #1 (0825), Campville Fire Department (5322), Candor Emergency Squad (5314), Chenango Bridge Fire Department (0386), City of Norwich Fire Department (0877), Conklin Med Team (Conklin Volunteer Fire Department) (0382), Deposit Fire Department First Aid and Rescue Co. (0321), East Maine Fire Company (0385), Endicott Fire Department, Village of (0343), and Five Mile Point Fire Company, Inc. (0171).

Below the list are search filters: "Incident #" with a dropdown set to "begins with" and an empty text box; "Date Incident Reported:" with two empty text boxes and "to"; and "Status:" with a dropdown menu showing "N/A", "In Progress", "Completed", and "Requires Review".

On the right side, there are export options: "Exported:" with a dropdown set to "No"; "Transaction Type:" with a dropdown set to "Addition"; and a list of checkboxes: "Include Department Export:" (unchecked), "Include Personnel Export:" (unchecked), "Include Apparatus Export:" (unchecked), "Include Non-NFIRS State Specific Data Points:" (unchecked), "Include EMS Data Points:" (checked), and "Include Incident Apparatus Data Points:" (checked). A red arrow points to the unchecked checkbox for "Include Non-NFIRS State Specific Data Points:". A red box with the text "Do not check this box when exporting" is positioned to the right of the arrow.

At the bottom right, there is a "Validity:" dropdown set to "Greater Than" and an empty text box. Below that is the "Incident Type:" dropdown menu, which is expanded to show: "All", "Fire", "-- Fire, other (10)", "Fire, other (100)", "-- Structure Fire (11)", "Building fire (111)", "Fires in structure other than in a building (112)", "Cooking fire, confined to container (113)", "Chimney or flue fire, confined to chimney or flue (114)", and "Incinerator overload or malfunction, fire confined (115)".

At the bottom center, there are "Search" and "Clear" buttons.
