The Chenango Fire Company, along with friends and family of Russ and Jodi Carey, are holding a benefit to help them get back on their feet after a devastating fire in which they lost their home and their 3 canine companions. Russell and Jodi Carey have served our community for 18 years as volunteer firefighters of the Chenango Fire Company. Russ is also a 911 Emergency Services Dispatcher and Jodi serves Opportunities for Broome as a local Head Start Director. These are two people who serve our community in all aspects of their lives.
