

BROOME COUNTY FIREFIGHTERS' ASSOCIATION
50-YEAR ACTIVE MEMBER RECOGNITION PROGRAM

The Broome County Firefighters' Association recognizes that 50 years in the fire service is a milestone to be rewarded. Therefore, starting in 2015, the Firefighters' Association will honor any firefighter who has devoted 50 years of "active" service to the fire service. "Active" means that the person, for 50 years, was actively involved in the fire company, regularly responding to calls in any capacity- fire, fire police, or EMS - attending training and/or meetings on a regular basis.

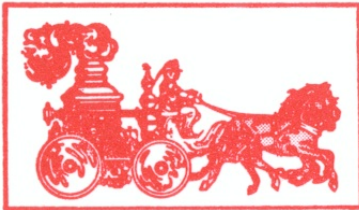

In the initial stage of the program, to recognize members who served 50 years prior to the beginning of our program the Firefighters' Association will recognize any member who was active for 50 years, but who may not currently be active. Firefighters whose names are submitted, must be living at the time their application is submitted. Posthumous awards will be made only to firefighters who passed away since their application was submitted.

A form should be submitted either by the person him/herself, family member, or by a representative of the fire company (e.g. fire company president, secretary, chief, etc.) Dates of membership should be included as accurately as possible. Forms submitted should be signed by a fire company officer to indicate that the dates in the application are correct.

A person who has been in the fire service with more than one fire company and has a total of 50 years or more (including time as a career firefighter) should provide information on the years of service with the fire companies and should get a signature from at least one fire company (preferably the one with the most recent service or one with most years of service) to authenticate membership dates. An attempt will be made to substantiate dates prior to a 50-year award being made.

Annually a ceremony will be held where 50 year members will be presented awards celebrating their 50 years of service. Applications received by December 31, of one year will be awarded at the ceremony in the next year.

Fire companies may submit applications at any time during the year. Applications will be available at our meetings, on our website, broomefire.com, or by contacting us at broomecofire@stny.rr.com
