

# NY-Sun PV Trainers Network

## Safety and Fire Considerations for Solar PV Workshop

Thursday, April 9, 2015

6:00 – 9:00pm

The NYSERDA's NY-Sun PV Trainers Network invites all first responders to attend the Safety and Fire Considerations for Solar PV Workshop that will be held at the **Town of Chenango Town Hall, 1259 NYS Route 12, Binghamton, NY 13901**

This workshop will provide first responders and emergency personnel, such as firefighters and rescue personnel, with an accredited training on safety precautions and fire code considerations with respect to the recognition and disabling of solar photovoltaic (PV) systems. Main topic areas will include solar technology identification on the premises, disconnecting methods, and code requirements for roof coverage by modules. Additionally, this training will address access to safe walking space, access to ventilation, location and identification of disconnect switches, DC and AC system conduits and conductors, and battery backup systems.

- What:** Safety and Fire Considerations for Solar PV
- Where:** Town of Chenango Town Hall  
1259 NYS Route 12  
Binghamton, NY 13901
- When:** April 9, 2015 from 6:00-9:00pm
- Fee:** This training is free to attend (Seating is limited, Register early)  
Refreshments will be served.

**About the program:** *The NY-Sun PV Trainers Network aims to expand adoption and reduce installation costs of solar energy in New York State. Through education, training, and technical assistance, the Network helps local governments and stakeholders identify opportunities, mitigate barriers, and create programs that drive development of solar photovoltaic (PV) markets in communities across New York State. Please visit <https://training.ny-sun.ny.gov/> for more information on the NY-Sun PV Trainers Network.*
