The Owego Fire Department is pleased to announce that the 4<sup>th</sup> Annual Fallen Firefighters Golf Tournament that is being held at the Links at Hiawatha Landing, Apalachin, NY, on June 4<sup>th</sup>, 2016. On behalf of the Fire Department, we are looking for your continued support of volunteer firefighters and helping in providing the necessary training. The fire service is changing at a rapid rate and a new Training Center is swiftly approaching a new phase in its construction. The Burn Building will be able to provide a realistic environment for training which helps promote firefighter safety. This allows firefighters to better protect the public and their community that they are sworn to protect. The "Fire Department of the Village of Owego" is one of only about a half dozen in New York State that still operates under its Act of Incorporation by the NYS Legislature. Originally enacted into law in 1862, and amended in 1880, this incorporated us as a volunteer department to fight fires and care for indigent firemen, an earlier form of a non-profit organization.

Due to the tragic line of duty deaths in our community over the history of our Department, especially of Matt Porcari, Steve Gavin, Richard Beck, Winfield Knapp and Roy Wiltse, the Owego Fire Department began hosting the "Fallen Firefighters Memorial Golf Tournament" 4 years ago to remember our fallen comrades and to raise monies for the construction and maintenance of a new Training Facility and to encourage our youth to enter a career as a First Responder through creation of a Scholarship Fund. The response has been exceptional!

As we enter our 4th year, we hope you will continue to support these very important goals. We thank you very much!

Sincerely,

The 2016 Fallen Firefighters Memorial  
Tournament Committee
