

Broome County Department of Aviation  
**Greater Binghamton Airport**

Debra A. Preston, County Executive . David W. Hickling, Commissioner

# Memo

To: All Mutual Aid Companies to Greater Binghamton Airport

From: Airport Crash Fire Rescue

Re: Airport Open House Series

Date: 06/08/16

Greater Binghamton Airport is proud to be implementing an Open House style training program for mutual aid fire companies that support the Airport. These open houses will be scheduled on Mondays to coincide with department's usual training schedule. Each event will start at 7:20p to allow time for travel.

The schedule is as follows:

**June 20<sup>th</sup> - New Construction.** The wash building on airport property will be shown so agencies called to this facility will be familiar with the hazards inside, such as mechanical washing equipment which may injure employees, storage of chemicals, electrical systems, and fuel pumps and shut downs. We will also be showing the Shea Drive staging.

**July 18<sup>th</sup> - Terminal Tour.** Familiarization with fire suppression and alarm systems, access, and elevator rescue. Tower tour and access may be added depending on work load of ATC.

**August 22<sup>nd</sup> - Crash Fire Rescue tour.** Radios, access to facility, and crash truck familiarization.

Airport Employee schedules currently do not go beyond August 22<sup>nd</sup> , but more tours will be scheduled in the future including runway and taxiway familiarization, hangar facilities, and maintenance buildings.

If you are interested in joining us for these tours and training opportunities, please contact CFR at 763-4474. We look forward to having your department participate in this program that will be beneficial for both the airport and our mutual aid companies.
