

Evidence Protection at the Fire Scene

Tuesday, May 17th at 7PM

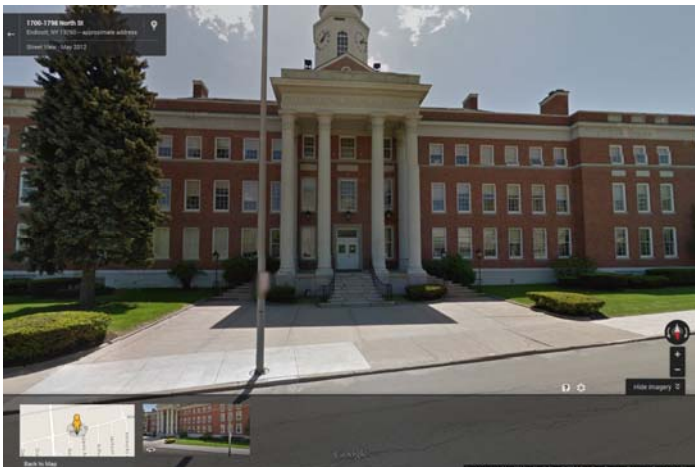

Description: Every fire has an ignition point. Determining the cause of a fire is the responsibility of the Fire Chief. This class, taught by seasoned Fire Investigators, will discuss things to look for and the proper way for firefighters to protect the scene and not damage or contaminate evidence.

**Call West Corners Fire Chief Thomas at 765-6579
with any questions.**

All are welcome.
